**Certificate of management and participation in the academic and cultural exchange to build alliances
and opportunities for research and postgraduate studies at different universities in Germany -
Augsburg and Göttingen**

I hereby certify that Marlen Sofia Muñoz Ruiz, a student of Engineering Physics at the University of Cauca, contributed to the application and selection process for the program titled "Study Visits for Groups of Foreign Students in Germany / Studienreisen für Gruppen von ausländischen Studierenden in Deutschland", awarded by the DAAD (German Academic Exchange Service).

Her participation in this program consisted of an academic visit to Germany, under the supervision of Dr. Rubiel Vargas Cañas, professor at the Department of Physics of the University of Cauca. During the visit, contacts were established with the academic communities of the University of Göttingen and the University of Augsburg. Additionally, the student Marlen Sofia Muñoz Ruiz gave two presentations. In these, she shared her thesis and the results obtained in an exchange of ideas with researchers in the field of biosignals and artificial intelligence applied in medicine.

Should you require any further information, please feel free to contact me.

Sincerely,

Dr.-Eng. Ennio Idrobo-Ávila
